The Chairman has the power, as the board of directors which has been accorded by the general meeting.

The board of directors has the power of appointing directors, in order to fill a casual vacancy on the board of directors. The board of directors has the power of appointing additional directors, subject to the maximum number fixed by the articles of association, and the general meeting has decided to the number of directors, the number of directors shall be appointed by the general meeting. (The effective date of appointment and the expiration of the term of office of directors shall be determined by the Chairman)

The chairman and vice chairman (of vice chairman) of the board of directors have been elected and appointed by the board of directors. The chairman and vice chairman (of vice chairman) of the board have the power of the board of directors, and be elected, by the vote of the general meeting

The board of directors exercises the following rights and duties:

(1) to convene the shareholders' general meeting and report to the general meeting;

(2) to implement the resolutions of the general meeting;

(3) to decide the Company's business plan and investment plan;

(4) to formulate the annual financial budget and final accounts of the Company;

(5) to formulate the Company's profit distribution plan and loss recovery plan;

(6) to formulate the plan for the Company's significant acquisition of its own shares or merger with other companies, and to decide on the acquisition of its own shares;

(7) to formulate the plan for the Company's merger, division, dissolution and liquidation and to supervise the Company;

(8) to formulate the Company's basic management system and the rules of the Company;

(9) within the scope of the authorization of the general meeting, to decide on the Company's external investment, purchase and sale of assets, pledge of assets, external guarantee, entrusted financial management, connected transactions and other matters;

(10) to decide the establishment of the Company's management institutions and to appoint the Company's;

(11) to determine the remuneration of the directors and the remuneration and rewards and punishments of the board of directors and the chairman of the board;

(12) [illegible] a, [illegible] i [illegible] di [illegible] ge e a [illegible] age a d ec e a [illegible] B [illegible] he b[illegible] a d [illegible] f di ec [illegible] ; i acc[illegible] da ce [illegible] i h he [illegible] a i[illegible] b[illegible] B ge e a [illegible] age , [illegible] a, [illegible] i [illegible] di [illegible] de, [illegible] B ge e a [illegible] age a d chief acc[illegible] a a d [illegible] decide [illegible] hei e [illegible] e a i[illegible] ;

The Chairman's general management has been accorded to the Board of Directors and has exercised the following functions and powers:

(1) Lead the Chairman's planning, organization and management, and report to the board of directors;

(2) Organize the implementation of the Board's resolutions;

(3) Organize the implementation of the Chairman's annual business plan and investment plan and report to the board of directors;

(4) Draft plans for the establishment of the Chairman's internal management structure;

(5) Draft the basic management system of the Chairman;

(6) Formulate detailed rules and regulations of the Chairman;

(7) Propose the appointment or dismissal of the Chairman's deputy general manager( ) and chief accountant to the Board;

(8) Appoint or dismiss the management personnel other than those appointed or dismissed by the Board;

(9) Exercise the powers conferred by the Articles of Association of the board of directors.

Under the guidance of the board of directors, the management system of the Chairman, the management staff of the Chairman's Party Committee formulate the Chairman's weekly, monthly and annual work plans.

The Chairman's general manager has a duty of loyalty to the board of directors. A non-director manager has no voting rights.

The general manager formulates the detailed rules and regulations of the general manager, which have been approved by the board of directors for approval.

The rules of the general manager include the following:

(1) Convening and presiding over meetings related to production, operation and management;

(2) Organizing the implementation of the annual business plan and investment plan approved by the general manager;

(3) Organizing the implementation of the Chairman's financial and accounting system, formulating the specific measures for the reform of the salary system, the plan for the allocation of wages, bonuses, subsidies and other forms of remuneration, the plan for the adjustment of the salary system of the board of directors and the plan for the adjustment of the salary system of the board of directors;

(4) Other powers conferred by the Articles of Association and the board of directors.
