Figure 1 consists of three panels, A, B, and C, illustrating the experimental design. Panel A shows a sequence of stimuli: a fixation cross, a target stimulus (a triangle), and a distractor stimulus (a circle). Panel B shows a sequence of stimuli: a fixation cross, a target stimulus (a triangle), and a distractor stimulus (a circle). Panel C shows a sequence of stimuli: a fixation cross, a target stimulus (a triangle), and a distractor stimulus (a circle).
